I just started playing Gods Unchained after connecting my GameStop wallet.

It's really fun for anyone that hasn't tried or opened your packs for being a pro member yet. If you haven't started the game yet I have a referral code for anyone to get 10 \$GOD tokens to forge cards to then sell on Immutable X.

Code: qdhNPjrNvh

Just reach level 6 and we both get the goods.

They also have a play to earn concept where if you play ~10 ranked matches a day you earn in game currency to then make cards to later sell on the marketplace.

The future is here, power to the players!
