Well, the header is stamped with a court docket number. I googled it, and guess what comes up?

CFTC vs Archegos Capital...

case 1:22-cv-03401-JPO

It seems that the fellas over at the Commodities Futures Trading Commission are busy doing other things besides just kicking the can for disclosures until 2025...

Kind of ironic that their argument in court includes a failure of Archegos to disclose...to CFTC, or their swap counter parties...

Edit: I've skimmed it, and no specific mentions of GME so far, but some pretty interesting dates like January 29, 2021, and mid-late March 2021 are cited.

Edit: Found this gem in the comments by u/hkzor.
