Hello apes, I'm from Germany and was told that we don't need to demand the cost basis information from the brokers since we are foreign and USA has a tax treaty agreement with Germany. I have send my tax details and my Computershare profile shows 100%. But my gme shares are listed as covered and non covered. I don't know what to do honestly and why it's important do so.

Final question: Do I have to send my cost basis info as a German citizen?
