

Title: They should bring Susanne Trimbath on Jon Stewarts show and let her sit in on GGs interview. She will know the right questions to ask and will not be fooled by some non answer.

She always have some great questions and most importantly she is really knowledgeable and will be able to see through GGs non answers and call him out on them. Jon Stewart is great but I fear he will not know enough to see when GG gives a non answer with a lot of big stock words trying to confuse and not really answer the question. DRS GME.
