The screenshot shows a mobile browser interface with the CoinDesk website. The video player displays a video titled "Meme Investing: From GameStop to AMC, Did Wall Street Still Win?". The video is paused, and the progress bar shows it will end in 2 minutes. The video content features large green text that reads "BUILT FOR ALL CLASSES OF INVESTOR". Below the video, there is a text overlay that reads: "In the aftermath of the GameStop short squeeze, Wall Street Journal 'Heard on the Street' editor Spencer Jakab discusses the key findings from his new book 'The Revolution That Wasn't,' explaining that meme investing from retail investors did little to change power dynamics on Wall Street." The date "Feb 15, 2022" is displayed below the text. At the bottom of the video player, there are social media sharing icons for Twitter, LinkedIn, and Facebook. The bottom of the screen shows a navigation bar with the text "Rec GLOBAL X BCKH Blockchain ETF" and a small "X" icon.
