Hello guys, just a quick post to share some news about [GMERICA](<https://uspto.report/TM/90897211>).

[GMERICA CURRENT STATUS AS OF 9/12](<https://preview.redd.it/1tj57ax5ygn91.jpg?width=1676&format=pjpg&auto=webp&s=9ebafba4496f8c052458232cab5b755a9ab50c4c>)

Alrighty guys, let's begin. As you can see above GameStop just submit their Statement of Use (SOU) or a request to Extend the deadline of their SOU.

I have very strongly believe that \*OCT 4\* aka \*Tuesday Morning\* is when GMERICA is being released. Why you may ask? Well, if you haven't already read the linked post above you should. There's so much stuff that's happening now in September aswell as SO MUCH stuff that coincidentally is happening in October. Like the Vatican deadline, Government of Ireland preparing for a complete market collapse, FTX US Tokenized Stock Market being released Oct 1st, Q3 ending, etc.

\*Not to mention KENNY\* \*\*\*PREPARING FOR BANKRUPTCY\*\*\* \*BUYING A MASSIVE PEACE OF REAL ESTATE IN FLORIDA.\*

\*In my very honest opinion it seems like this will all together be the final nail in the coffin. Everything's lining up very closely and I don't think it's a coincidence. I think RC will finally pull the trigger.\*

\*Wake me up when September ends bb.\*
