Ryan Cohen's Teddy Series

- GameStop Stores in the background of pictures.
- A page with just a clock that says tick tock.
- If we are patient we will have all the money and can take care of the ones we love.
- A clock that's hands are on 12-2.
- The price of the book is \$12.99. Could mean 12-9 @ 9am.
- Or the previous two could indicate the week of 12-2 through 12-9.
- The books ship in 2-3 weeks. Halfway between a week is Wednesday and GameStop's next earnings call is 12-7 on a Wednesday. That would be in 2-3 weeks.
- He could use this to announce the acquisition of Buy Buy Baby.
- He could announce GameStop Investors will receive a copy of the books as an NFT Dividend on 12-7.
