Before I let you go, please let me quickly recap: No DRS has been done today in your account, our DRS system is down, I advised you to check back tomorrow am to submit the DRS request.

Ok, I can check on that to see if it was completed. Would there be anything else you need assistance with for today?

let me review your account to check for this, my goal here is not to take more than 5-10 minutes of your time. Be right back, brb. Thank you.
