I cannot post this on SS so I need your help here!

Help me please, because I will fucking explode here:

My letter just arrived today (I started DRS gme at feb2, so I emailed, called CS for a couple of times, not to mention I get fucking peptic ulcers), and I cannot log in or registrate to computershare. Penny the robot assistant cannot help me out and I fucking drained out my opportunities to register for TODAY. SO: please ELI5, explain it like I am a fucking retard, someone with 30 IQ, someone who is too dumb to understand complicated sentences, HOW should I register IN this MARVELOUS transfer AGENT! (If you won't help, my shares go to the infinity pool so no worries...)

PS.: I do not know which part of the letter I should cover so I do not DARE to post it for now. I want to be part of Gamestop's share DRS revolution, so please help me out!
