The recent announcement on WSB makes me question why the mods chose to do this when you can see a strong backlash going on at this moment.

There is probably a lot of mods wanting to keep their hands off this when the volatility goes off the charts.

They have probably seen all the legal trouble people like RC and DFV went through the last time GME popped and don't want to be in the same situation.

I would love to go into more detail but I'm using my 10 min "washroom break" at work so I don't have much time.

Idk maybe I'm a crazy foil boi.

Anyways I like the stock
