Many moons ago, told my mom what I was up to with gme. Even got her to buy hodl and drs.

We went out to eat earlier, and she told me the table next to us was talking about GameStop. So of course I tuned in, and heard keywords: GameStop, bed bath beyond, mother of all short squeezes, drs, and computershare.

Then I told her how I saw a picture on here of yellon sitting coach, taken by an ape.

It's evident. We're everywhere. If you're lucky enough to hold this beautiful stock, get ready.

They'll say we were lucky. But we weren't just lucky. We read the dd. We hodl'd through it all.

Buy hodl drs is the way
