

Title: Didn't Realize This Was Happening To A Lot Of Apes. Banned From Bets For No Reason Besides Being A Member Of Ape Subs. Was Asked Anti-Ape & DRS Questions. Was Unbanned (Why I Said "Thanks") & Got Banned Again 1 Hour Later. How Is This Allowed On Reddit? (Scroll Right)

How would saying anything about
shorts be considered brigading anyway?
That makes zero sense

r/wallstreetbets • 16h

Its a pretty simple question

u/Kickinitez • 14h

Are you discriminating against me for
being a member of a different sub? I
didn't say anything about what you're
talking about on WSB.

r/wallstreetbets • 14h

I don't know about all that I'm just
asking you a question, did shorts cover/
close, or not? You're not making a very
good case for being unbanned

unban please

u/Kickinitez • 16h

Can you please unban me? I received a weird message from a mod asking me if shorts covered. Seems really strange. I really don't know why I was banned. Can you please unban me?

r/wallstreetbets • 16h

Can you provide one example where DRS caused the price of a stock to rise

u/Kickinitez • 15h

I didn't say to DRS on WSB. Never said that. Where are you getting these questions from?

r/wallstreetbets • 14h

My brain, do you have any answers in yours?

Just sent a message. How was I brigading? The only comment I found that I left on wsb was "This has been known about for a while now. This is old information." Are you guys just auto banning people? Can I please be unbanned?

Did the shorts cover? Is MOASS coming?

u/Kickinitez • 17h

Did shorts cover? What are you talking about?

u/Kickinitez • 17h

I didn't say anything about shorts or MOASS
