Sorry in advance if this isn't the right place for this.

Question 1. Were the NFTs for the early adapters of the new wallet/marketplace ever distributed? I was a day one adapter for both. I can't remember which one referenced the giveaway.

Question 2. What were the prerequisites for the God's unchained giveaway? I've been a Pro member for over a around 2 years, with no gap in activity. I never recieved the email to claim. (I checked spam)

I'm curious about these two since I've verified the email on my marketplace profile. It is the same as the email used for my Pro membership. I just made a purchase of over \$200. I really don't want to miss out a third time. I have 246 DRSd, but want to also support the brick n mortar, and NFT adaptation for gamestop!
