Curious to know if anyone here has ties to or owns a publication company. I'm in the process of renovating my first house and I plan on creating a Gameroom and Bar. I'll be woodworking a bookshelf in the corner of the room and would like to dedicate it to the plethora of SS GME DD for guest to read while I mix them a glass of Banana in my ass. Anyone willing to publish these works? Of course with Authors permission :D

I don't have the 'K' required to post in SuperStonk so if anyone could relay the message it would be appreciated!
