To Whom it may concern,

Could you kindly reduce the price of GME to \$25 one last time before relieving yourselves of the burden it has caused you and your investors?

I missed your last fire sale and would like to increase my GME ownership by an additional 100 shares. I've since received some additional funding and have loaded my funds with a buy order as I'm certain your kindness and generosity know no bounds and you will be predisposed to doing so.

Thank you for all you've done. Your contributions will not soon be forgotten and your impact on a community of like-minded individuals that you helped to fortify will be everlasting.

Your's truly,

Ape
