If I've got a Royal Flush, you can swear up and down that you're going to beat me. But all you are doing is hurting yourself by showing me all the different ways you'd try to convince me to fold.

Your problem is that I already know that I've won, and meanwhile, I'm re-raising your re-raises.

Wanna up the gaslighting and the trickery? Why would I stop you? Bring it all on and I'll learn even more about you and I'll still get your chips! #GME #Gamestop
