Are this many retards seriously giving that trash ratings? What the actual fuck

Seems like the distraction they were aiming for. Flood the sub with that Netflix bull shit to distract us from topics that really matter

I'm not watching it. Not giving them my view. Nope

Open the sub first thing this morning and it's all I see. Makes me want to vomit. ■■

Listening to coke rat spew propaganda bull shit on netflix will do nothing but piss me off soo I'm not about it

Can't wait for a solid ape to direct a real film with their hard earned tendies. One that's actually based on a true story

Until that day, everything else is just noise, and I am not paying attention until phone numbers

You hear that Kenny? Nothing you or your puppets say or do can phase me

Show me a gme movie that

1. Isn't funded by shf
2. Opens with an ape on a rocket
3. Preferably passing thru a purple ring
4. En route to the moon of course
5. Says how price has been wrong all along
6. Doesn't have coke rat (except the part with Victor)

Now that movie I'll watch.

Ha ha ha ha ha ha, na na na na na na u can't make me sellll

Boom

Rocket go moon ■ ■

Soon
