Hello'oo!!

I just heard that some boomer investor had said that they opened a position against GameStop, because they expect those retail investors to "go away". So, I went away from the DTCC with my shares and proceeded to buy more GME through ComputerShare to add to my already DRS'd pile.

Thank You so much for those inspirational words. Buying more when I can.

[Everyone's fatigued and \"going away\" from IOU shares!](<https://preview.redd.it/zhw44khr1s0a1.png?width=1337&format=png&auto=webp&s=579ceba5d6677d7f9d81f81e92f25c440a0335a0>)
