Who is Kenny Boi?

Serious question. I knew the answer, and now I don't. Why do we hate the Mayo Man so much more than anyone else? What proof do we have that the Bed Post Slinger is worse than any other Shitty (Short) Hedge Fund dude? What did Shitadel do to piss us off (besides lie to congress)?

Does he/Shity-dale own the most shorts on GME? Are they selling the most synthetics?

Yes, this is a post about Kenneth C. Griffin of Citadel Securities and Citadel Hedge Fund, because I think it's important to say his true name.

Thank you wrinkle apes for any wrinkles you can give me...
