I've done my DD. I'm convinced. I'm in. My smooth brain hurts from everything I have tried to cram in there the last week.

Went to CS and made a buy. GME for me. Should be settled by this Wednesday. Will start a bimonthly buy as soon as I can set up my account on CS.

So I don't need any more convincing to BUY-HODL-DRS. I'm doing it.

But I have some other questions, and I don't want to ask in the wrong place. Is there a superstonk like sub for those of us that cannot post there?

Thanks
