The screenshot shows a mobile application interface for GME stock. At the top, the time is 11:27. The stock symbol GME is displayed with a price of 26.10, an increase of 0.83, and a percentage increase of 3.28%. Below the header, there are tabs for Chart, Options, News, Feeds, Analysis, and Comparison. The main content area displays a table with three columns: Settlement Date, Short Interest, and Days To Cover. A red arrow points to the Days To Cover column. The table lists data for various dates from 09/30/2022 down to 02/15/2022. At the bottom, there are buttons for Trade and Option, along with icons for a wallet, notifications, and a menu.
