

Title: Found this in a WHISTLEBLOWER document attached to the comments for SEC rules. Look at those sexy ass swaps. Don't mind sharing link to mods for the entire file. It's on a public domain out in the open like someone wanted it found, posted to the SEC comments twice. THIS IS A POST OF SS

There's other stuff in the file from Archegos court case, fines, jail time mentions etc. SEC should surely be looking at these files posted to comments on a public domain? I guess not. ■■■■

You can find it posted on the 26th under the name "Whistle blower" link below.
