Greetings Jeff,

I stumbled on your email address at Teddy.com (see attached screenshot) and wanted to kindly inquire if this is relative to the current iteration of the website?

Thanks for your time,
Donald Kausler

Logic.com™

Amventure - Production

It is time to bring logic into the conversation.
We are currently working on a platform for
solutions to many of the biggest social and
political problems in the USA. We are starting
by thinking of the questions that need to be
asked but are not.

We are building a community that will use
logical thinking and new media formats to
create and communicate solutions. Stay
tuned!

"If you never change your mind, why have
one?"
- Edward de Bono
