The screenshot shows a mobile application interface for a stock portfolio. At the top, the status bar displays the time as 2:52, LTE signal, and 49% battery. The app's header is blue with a hamburger menu icon, the word 'Portfolio', and a search icon. Below the header, the section is titled 'Your Portfolio'. The main content area lists ten items, each with a stock ticker, company name, current price, and percentage change. The items are: BBY (Bed Bath & Beyond Inc.), GME (GameStop Corp.), ARBKF (Argo Blockchain plc), PONGF (Atari SA), BB (BlackBerry Limited), AMC (AMC Entertainment Holdings, Inc.), SGMD (Sugarmade, Inc.), UBSFY (Ubisoft Entertainment SA), TSLA (Tesla, Inc.), and BTC-USD (Bitcoin USD). At the bottom, there is a navigation bar with three icons: a house, a calendar, and a bell. The bottom-most bar shows the text 'DDDI' and a small icon.

Stock	Price	Change
BBY Bed Bath & Beyond Inc.	4.04	-8.39% -0.37
