Surprise Pikachu? ****NOT!!****

SFB had to cover both sides of the isle to ensure his little scheme kept moving along. Looks like SFB took a page from Ken Griffin's fraud book on how to fuck over great companies like GameStop. Unfortunately, SFB didn't read Ken's book to the end where he loses ****ALL**** his cash and ends up in jail with a 300LB cell mate called Bubba.

Are we not entertained???
