I have being ape for almost 3 years now . I'm a lurker but today I'm in need of help . I thought I had lost my drs shares forever because my user id on computer share stopped working & I went to my old house & found letters from them confirming my shares have being drs . So today I want to to try gain access to my computer share investor login again , whenever I try ring the number I have for them doesn't seem to work . Please help me get in contact with computer share from the UK thank you . GME MOON SOON .
