Hi guys, finally moving my ass to DRS my 5 million GME shares that I had sitting around kek

I am transferring from Degiro to IBKR first and need help with 2 things. Is it okay to fill out the Degiro outbound by hand? And how do I know for sure what country is my IBKR account is from? (the country to put on the form)

I am at work so I can only fill it by hand right now and I am unsure where did I open my account. If it was USA, UK or Ireland or even if they refer to my country of residence. On the account details of IBKR they don't mention that detail. Please share wrinkles...
