Carl Icahn Said to Hold Large GameStop Short Position

Monday, November 21, 2022 05:56 PM

By Scott Deveau and Bailey Lipschultz

- Billionaire began shorting retailer during meme-stock boom
- GameStop has lost 71% of its value since January 2021 high

(Bloomberg) -- Billionaire investor Carl Icahn began shorting GameStop Corp. during the height of the meme-stock frenzy around January 2021 and still holds a large position in the video-game retailer, according to people familiar with the matter.
