

Title: (Delete if not allowed) I want to start a new Madden 23 League franchisee mode for Xbox One, & I want to give out shares of GameStop at the end of every season as prizes for winning super bowl, breaking records, most passing/rushing/Receiving yards in a season etc

Also, I want to give out nft's every week. Looking for a couple of people who are interested in helping with the commissioner role, nft creation, as well as play in the league? Again, the prizes will be only be GameStop stock and possibly occasionally a GameStop gift card.

The league is called DRS GameStop no password.
