Our favorite Brick & Mortar store has a hot new freebie. They are giving away free codes to redeem for a Shiny Eternatus for Nintendo Switch Pokémon Sword or Pokémon Shield. Supposed to be limit one code per customer and they are going fast, so I recommend to go sooner than later as they can run out of stock pretty easily from what I've heard. Good Luck catching yours! Or gift to someone who would appreciate it, it's supposed to be a nice one.

They still have the half off (50%) from already discounted Clearance price markdown sale going on as well, just another great reason to stop by. Customer Service was EXCELLENT on my last trip. Don't forget to get your Power Up Rewards Memberships renewed for the upcoming Gods Unchained NFT card pack giveaway Sept 27th, active PUR Members Only!

Hope this helps. :)
