

Title: Maybe you've seen "eat the rich" on Netflix, maybe not. Regardless the story is not done and I think we should flood Netflix with requests to do a season 2 "DRS-the saga continues". I've messaged them and forewarned them they are about to be hit by redditors■

Netflix Customer Service

approach the filmmaker about a
"saga continues" season 2

3:32 PM

I understand your part, I appreciate
you contacting us and highlighting
this. I will definitely take it as a
feedback and let my concerned
team know about this .

Rameshwar • 3:33 PM

I think you all are about to be
bombarded with redditors
