Hi everyone, I know I'm late to the game but I don't want to miss out and I just got my GameStop wallet address.

Can someone help me out to activate my LRing layer 2? I'd really appreciate it, I want to be as ready as I can be for when everything starts kicking off.

You guys are the best! Been DRSeD a long while, waiting to get another job so that I can buy some more. And I look forward to browsing NFTs and purchasing some finally to show off.
Thank you, you beautiful gme apes!
