

Title: I see all you great apes out there, activating wallets for each other... and I will not be out-greatnd!
Drop your wallets I'm jumping in!

If you need activation or want a desk turtle NFT for your shiny new GME iOS wallet drop it in the comments! Love to see all this commotion over the new wallet. I've been using the Chrome wallet for a long time now but it tickled my tatas to see the iOS release yesterday. When Android wallet comes out I'll send NFT's for yall as well. Cheers!
