Can we get this out? Epstein was apparently involved with Bear Stearns, Clinton's for decades and so much more. I'm not smart enough to dig more but I'm listening to a Higherside Chats episode with Whitney Webb and she is going all over it..

This guy was a financial terrorist WAY WAY WAY before anything else. Check out the episode

Heres a link but it should be on youtube and any podcast app

This GME related by way of financial terrorism

[The Higherside Chats] Whitney Webb | One Nation Under Blackmail, Big Tech, & Agenda 2030
