Why TF is everyone giving Carl so much love and leeway? Whether he is in, or out, does not matter. He tried to (and likely did) fuck over a ton of retail who top bought GME and he likely tried, and hoped, to destroy a company you love, to avoid having to ever close. F-that. I hope he is still short cuz if he is, he's locked in here with me now. This IcAn LoVe iS a BUncH oF horSE ShIT and probably a pr 101 move. Convince me otherwise.
