Hey YOU. RIGHT NOW.

Go ask google "what's happening with gamestop and reddit" and check out those search results. The first result for me is highly suspicious.

It leads to [THIS]([https://www.reddit.com/r/OutOfTheLoop/comments/l2s2gj/what\\_is\\_going\\_on\\_with\\_gamestop\\_and\\_reddit/](https://www.reddit.com/r/OutOfTheLoop/comments/l2s2gj/what_is_going_on_with_gamestop_and_reddit/)) thread.

For me, the comments are perfectly collapsed to coincidentally teach you how to trade options first.

The farther down the thread you go, collapsed comments just lead you to FUD town.

Highly SUS that this is the first link people would see after googling a combination of "gamestop and reddit"
