Whoever receives these, I truly hope you took action to distance yourself. I had high hopes someone would step up and stand against MLB owners and their lack of morals. I'm sure you're all patting eachothers bums and high fiving instead. A chance to [whistle]blow eachother was given.

God speed if you ignored my prior warnings. I highly suggest you begin practicing your pleas as I will not back down until I see a full reform from top to bottom, of the entire sport.

B. Madoff looks like Mother Theresa in comparison to whatever MLB stands for. I certainly know it's not for B&G Club.

Those of you with young families, I hope you wake up to the fact you are directly hurting the bottom line of families, friends, neighbors. You are now a public enemy until you earn the right not to be. I

Hi CS, it's us again.

Happy Margin Hunting! Oh and feel free to speed this one along, it's mostly backroom hand job deals anyways. You can thank us later. We're busy telling the "others". Get your cut asap.
