LOGLINE: A look at the layers of intrigue, from the supercharged power of digital communities to the gamification of trading

From Academy Award-winning filmmakers Dan Cogan and Liz Garbus, and directed by Theo Love.

Brief Synopsis from article: This humorous documentary series follows a group of millennial misfits who banded together online to rescue their beloved GameStop from the clutches of Wall Street bigwigs, in a viral David vs. Goliath story for the 21st century.

"My crew and I had the privilege of interviewing some of the top economists, lawmakers, law enforcement, investors, fin-fluencers and architects of our modern financial system, while the online investing community was a treasure trove of amazing characters who had bet big on the short squeeze."

— Director Theo Love

"We live for stories with high drama, high stakes, memorable characters, and something to say about the world we live in. The GameStop saga has it all in spades."

- Executive Producer Dan Cogan

Executive produced by Emmy and Academy Award-winning filmmakers Dan Cogan and Liz Garbus.
